OUR NEW WOOD COLOR

Get inspired for
your future projects!

Finding THE right color for your project
can be quite a challenge.

That's why, when developing new
colors, our team makes it a priority
to follow closely all the latest design
trends here and around the world.

We do our best to develop colors that
will allow you to create the perfectly
balanced universe you have always
dreamed of.

Cork

MHQC 1780

When it comes to color schemes for our
home, we often look for colors that will
last over time, and black, white, and
gray immediately come to mind. These
timeless cool colors, when paired with
a neutral wood color, will bring warmth
and light to any project.

Our new Cork color will be the perfect
option to create that perfect balance.
