

ARCHITECTURAL PLANK

Redefine your style

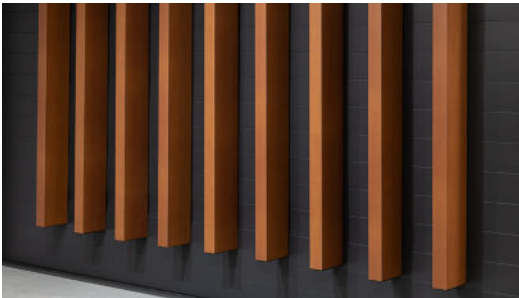

NEW

Discover the brand-new Architectural Plank from MAC Metal, an accessory that complements MAC's offerings and serves as an alternative to natural wood. Bring your most creative ideas to life and transform your driveway, garden, or patio into a personal and distinctive expression!

Combining modern aesthetics and unmatched sustainability, our Architectural Planks are designed to withstand the most extreme weather conditions, ensuring exceptional longevity. Say goodbye to concerns about frequent maintenance associated with natural wood, thanks to our 86% recycled and 100% recyclable North American steel.

CREATE A STYLE THAT REFLECTS WHO YOU ARE

SPECIFICATIONS

- Gauge | 24 gauges
- Width | 2 in (50.8 mm)
- Depth | 5.25 in (133.35 mm)
- Length | 144 in (3 657.6 mm)
- Minimum order of 14 units
- Attachment plates and caps sold individually or in packs of 10. When placing your order, make sure to order the necessary quantity of attachment plates and caps.

To fully assist you in completing your project, MAC offers a specially designed attachment system for its Architectural Planks. The Planks can be cut to fit your design, up to a minimum length of 3 feet.

Please note that custom attachments can be made by a steel professional, such as a blacksmith, to match your design requirements perfectly. Installation guides and videos are available on our website and YouTube channel at any time.

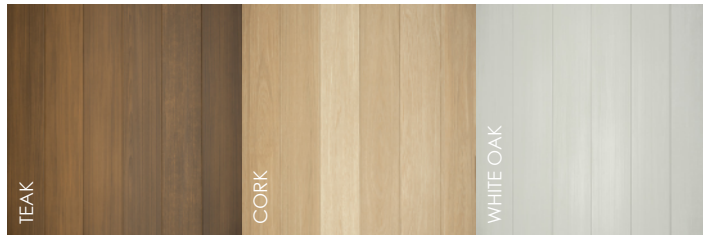

ACCESSORIES
